INFORMATION CONCERNING
(INTERNAL SECURITY)**

OO: Kansas City

On September 16, 1965, PSI PETER ANTHONY VETCHER, West Palm Beach, Florida (protect), sent a letter to Minutemen voicing a desire to join the organization. In answer to that letter, PSI received a form letter to "Dear Fellow American" which told about Minutemen and enclosed an application form along with "A Short History of Minutemen," "To Prospective Members of the Minutemen," and "Practical Security Measures," all of which were printed forms. He, subsequently, received the "October Bulletin," a "Member's Monthly Report for October," and a copy of "On Target."

After completing the application form, PSI received a package and a letter. The letter was a three-page letter to "Dear Fellow American" which assigned an identification number to PSI; acknowledged receipt of his application, and pointed out that there were tests he must pass and dues to be paid before he could graduate from being a provisional member. The package contained a yellow sheet of paper, "General Instructions on the Correspondence Training Program" along with the training programs for phases one through five. Also enclosed were some pamphlets to be read in connection with the training programs, and two books, "Spy in the U.S." by PAWEL MONAT, and "Spymaster" by IADISLAS FARAGO, to be used in the training.
